Equine Orthopaedics & Rheumatology: Self Assessment Colour Review

Description: This book covers a wide range of orthopaedic and rheumatological problems encountered in equine veterinary practice and will be invaluable to professionals in practice as well as veterinary and equine students. The cases are arranged randomly, just as they would be in life, and the self-assessment format is used to enable the reader to examine each case as it is presented.

A superb range of colour illustrations and imaging techniques, including radiography, ultrasonography, nuclear scintigraphy and arthroscopy are used to present each case and each is followed by a thorough explanation.

Key features:

- Systematic coverage in problem-oriented self-assessment format
- Superb colour illustrations
- Integrated questions and detailed explanatory answers
- International authorship
- Affordable prices for students
