The Faces of Terrorism. Multidisciplinary Perspectives

Description:
An international, multi-disciplinary team explores the many different facets of terrorism, investigating what it means to be a terrorist and what terrorism means for society.
- Gets closer to the perspectives of terrorists - their views, how their acts are conceptualized by the public and by national leaders, and how this knowledge can be put to use
- Brings together international experts from psychology, psychiatry, law and policing
- Edited by one of the world's foremost forensic psychology experts, David Canter
