House Builders Market Rank & Profile Report - UK 2008

Description:
MTW Research have published the new "House Builders Market Rank & Profile Report 2008" which is available for immediate delivery. Based on actual sales returns, the House Builders market report provides a strategic market overview & trends, House Builders rankings and company profiles in a comprehensive, unique and cost effective publication.

Based on quantitative sales returns, the new report on the UK Housebuilders market reviews market performance from 2004 with forecasts to 2012 providing an accurate overview of the Housebuilders market in recent years, coupled with forecasts to 2012. The report also provides sales estimates for each company, alongside rankings and key performance indicators, providing a comprehensive overview of the industry. Contact and mailing details are also provided, resulting in an effective sales and marketing tool whilst also offering excellent value for money.

This 300+ Page Market Report Includes:-
- Industry Profit & Trends 2004-2012 - The results of rising raw material costs, fuel and international inflationary pressures.
- House Builders Market Total Profit, Net Worth, Level of Borrowing, Assets 2004-2012
- UK House Builders Ranked by Sales, Profit, Assets & Net Worth - For suppliers to develop more accurate targeting.
- Financial Profile for each House Builder, including an 'at a glance' financial health chart.

The House Building Market is set to experience substantial turbulence in the coming months, with rapid deceleration of demand impacting all areas of the industry. Research for MTW's "Housebuilders Market Rank & Profile 2008" report has found that the net worth of the housebuilding market is set to experience a rapid decline in the coming months, as sales contract dramatically. The need for building product suppliers to target the right house builders has never been more crucial.

The report presents the recent performance and future prospects for the industry, based on quantitative sales returns from the last 4 years. This comprehensive and relevant market report also highlights those housebuilders which represent the most viable targets for building products suppliers to increase sales in a difficult market.

Key Benefits of this Brand New Report Include:-
- Gain a Good Understanding of Recent, Current & Future Housebuilders Market Performance.
- Identify and Target New Clients & Develop Effective Sales Strategies to Increase Market Share.
- Quickly and Cost Effectively Develop Sales Leads and Focus your Marketing Budget on the Best Performing House Builders.
- Identify the Ranking, Performance and Financial Health of the Leading Companies in the Housebuilders Market.
- Understand Recent, Current and Future Sales and Profitability Trends

The report represents a comprehensive yet cost effective tool for understanding the performance of the UK Housebuilders market and the key players active in the industry. Based on actual sales returns & written specifically for manufacturers and building product suppliers, this easy to use, independent market research report represents an invaluable yet cost effective tool for any company active in the UK Housebuilders industry.
