Summary: CAP S.A. Mar 11

Description:

Standard & Poor's Ratings Services' ratings on Chile-based iron ore and steel producer CAP S.A. reflect the company's strong positioning as the leader in the Chilean steel market, adequate leverage, and large cash reserves. These factors help CAP offset its inherently volatile cash flow from operations, which varies according to iron ore and steel prices, and higher costs for iron ore production than those of global peers because of CAP's relatively small-scale operations and low-grade ore reserves. CAP's operating performance in fiscal 2010 has benefited from strong demand for steel products in Chile and relatively high iron ore and steel prices. The reconstruction efforts following Chile's February 2010 earthquake has also fueled steel demand. All these factors translated into record...
