Summary: CareMore Holdings Inc. Apr 09

Description:
Abstract
The counterparty credit rating on CareMore Holdings Inc. (CHI) reflects its narrow market-segment focus in government-sponsored programs in the managed Medicare business segment, the risk of unfavorable regulatory/legislative intervention, geographic concentration, and marginal balance sheet quality. The relative strengths to the rating include its established market position, good operating performance, and its subsidiaries' very good operating cash flow capacity. CHI's subsidiaries are CareMore Medical Enterprises and CareMore Health Plan Inc. (collectively, CareMore). CareMore's market-segment focus has enabled it to develop its brand and grow its market presence in the managed Medicare segment despite the existence of larger and financially stronger competitors. Unlike many of its competitors, CareMore has an established integrated care model, which is characterized by its branded clinical...

Standard and Poors RatingsXpress Credit Research provides in-depth coverage of international corporates, financial institutions, insurance companies, utilities, sovereigns and structured finance programs. RatingsXpress Credit Research lets users determine the credit rating of holdings and identify key factors underlying an issuer's creditworthiness, distinguishes the different risk exposures for new and existing deals, and provides an understanding of how their analysts interpret key regulatory, political and environmental events and their economic impact.

This product consists of a Summary Analysis: Bi-annual (at least). An abbreviated analysis containing Standard & Poor's issuer credit ratings as of the time the article was published. The analysis includes a rating rationale - the basis on which the rating was assigned - and an outlook section if the issuer is not on CreditWatch. Financial statistics are not included.
