Which of the four different methods of proper essay writing skills. Edition No. 1

Description: The creator of this thesis will attempt to certify that through: direct instruction, templates, writing guides, video instruction, computer word processing and organization of the thought process, an increase in student achievement on thematic essay writing will enhance the student’s ability to become a more accomplished writer and a more flourishing student. Research will prove that having sophisticated writing skills in place creates a student who can think critically and express these thoughts in a clear, concise manner.
