AIDS and its Treatment. Edition No. 1

Description: Acquired Immuno Deficiency Syndrome and its treatment has been the goal of several researchers worldwide. I have tried my best to analyze the causes of AIDS and prescribe its treatment which many of my patients have found useful. I hope my book will be useful to all the readers and help them get cured from this disease. However, I request the doctors and nutritionists to continue their treatment for all subjects and recommend the dietary treatment which I have given in my textbook.
