The role of Transnational Corporations in economic Globalization. Edition No. 1

Description: Transnational corporations are the most powerful actors in the socio-economic scenario. And in the recent years these companies are getting more powerful. Their high mobility has provided Corporations with a power that they never had. These expanded powers allow them to significantly affect a nation-state's actions and direct them as they want. That is why their activities' impact on the world is continuously discussed and debated.
