The ICD Defense UK Top 20: Company Guide

Description: "The ICD Defense UK Top 20: Company Guide" is a crucial resource for anyone looking to quickly understand the key issues affecting the top companies in the defense industry across the UK. Detailed company profile and SWOT analysis information is provided for all the leading companies who are ranked in order by total annual revenues generated.

The ICD Defense UK Top 20: Company Guide utilizes a wide range of primary and secondary sources, which are analyzed and presented in a consistent and easily accessible format. ICD Research strictly follows a standardized research methodology to ensure high levels of data quality and these characteristics guarantee a unique report.

NOTE: Financial details are available only for public companies

Scope

- Examines and identifies key information and issues for all the leading companies in the defense for business intelligence requirements.

- Studies and presents all the leading company's strengths, weaknesses, opportunities (growth potential) and threats (competition). All strategic and operational business information is objectively reported.

- Provides in depth information on business operations, history, major products and services, prospects, key competitors, key employees, locations and subsidiaries for every company featured within the report.

Reasons To Buy

- Quickly enhance your understanding of the leading companies within the industry.

- Obtain details and analysis of the market and competitors as well as internal and external factors impacting each individual company featured

- Increase business/sales activities by better understanding your competitors across the industry

- Recognize potential partnerships and suppliers.

- Obtain yearly profitability figures for all the leading companies within the industry.

Contents:

1 Company Profile: BAE Systems plc
