Summary: Camden County Improvement Authority, New Jersey Camden County; General Obligation; General Obligation Equivalent Security Nov 08

Description: Abstract
Standard & Poor's Ratings Services assigned its 'AA-' standard long-term rating, and stable outlook, to Camden County Improvement Authority, N.J.'s series 2008 county-guaranteed loan revenue bonds, issued for Camden County, and affirmed its 'AA-' standard long-term rating and underlying rating (SPUR), with a stable outlook, on Camden County's existing debt. In our opinion, the 'AA-' rating reflects the county's:
Continued suburban economic expansion with easy access to significant employment centers in the greater Philadelphia area, Sizable property tax base that continues to exhibit more-modest expansion, Good overall financial performance, and Moderate overall debt burden. A loan agreement that pledges the county's full faith and credit secures the series 2008 bonds. The provisions of a county guarantee also secure the bonds....

Companies mentioned in this report are:

Action: Outlook: Stable

Standard and Poors RatingsXpress Credit Research provides in-depth coverage of international corporates, financial institutions, insurance companies, utilities, sovereigns and structured finance programs. RatingsXpress Credit Research lets users determine the credit rating of holdings and identify key factors underlying an issuer's creditworthiness, distinguishes the different risk exposures for new and existing deals, and provides an understanding of how their analysts interpret key regulatory, political and environmental events and their economic impact.

This product consists of a Summary Analysis: Bi-annual (at least). An abbreviated analysis containing Standard & Poor's issuer credit ratings as of the time the article was published. The analysis includes a rating rationale - the basis on which the rating was assigned - and an outlook section if the issuer is not on CreditWatch. Financial statistics are not included.
