Environmental Auditing: FIFRA Compliance Guide

Description: The Environmental Auditing – FIFRA Compliance Guide helps businesses ensure compliance with the hundreds of complex regulatory requirements of the Federal Insecticide, Fungicide, and Rodenticide Act (FIFRA). This guide is an indispensible resource for those who register, manufacture, process, refill, repackage, use, store, apply, or contract to apply FIFRA-regulated pesticide products anywhere in the United States.

The Environmental Auditing – FIFRA Compliance Guide is used by corporate environmental managers, auditors, grounds and parks managers within cities and towns, manufacturers, agricultural co-operatives, airport authorities, cemeteries and more.

Benefits
- Provides a comprehensive protocol for FIFRA compliance
- Facilitates demonstration of due diligence
- Serves as a concise reference for information on FIFRA regulatory issues, EPA interpretations and guidance, facility compliance responsibilities, and good management practices
- Includes current procedural checklists, developed and used by STC auditors, to help ensure that audits identify all regulatory challenges facing a facility
- Enables customization of audits through use of Applicability Tables
- Allows experienced auditors to expedite an inquiry and less experienced auditors to review details as needed
- Provides more in-depth and comprehensive coverage than other guides on the market

Topic Areas
- General requirements and storage (GMP and NFPA)
- Pesticide containers (30 CFR Parts 156 and 165)
- Producers and refillers (30 CFR Parts 167 and 169)
- Worker protection (30 CFR Part 170)
- Pesticide containment structures (30 CFR Part 165)
- Federal applicator certification (30 CFR Part 171)

Features
Applicability Tables - Applicability Tables facilitate quick and easy determination of which regulations and sections of the checklists apply to specific facility operations
Pre-Audit Preparation - Lists materials to be reviewed before conducting an audit
Rulebook - Provides comprehensive, detailed requirement statements, with guidance on compliance issues and inspection procedures and practices
Scoresheet - Enable quick recording of a facility’s compliance status for each requirement. Additional features include Customizable Scoresheets
