The Designer's Guide to the Cortex-M Processor Family

Description: The Designer's Guide to the Cortex-M Family is a tutorial-based book giving the key concepts required to develop programs in C with a Cortex M-based processor. The book begins with an overview of the Cortex-M family, giving architectural descriptions supported with practical examples, enabling the engineer to easily develop basic C programs to run on the Cortex-M0/M0+/M3 and M4. It then examines the more advanced features of the Cortex architecture such as memory protection, operating modes and dual stack operation. Once a firm grounding in the Cortex M processor has been established the book introduces the use of a small footprint RTOS and the CMSIS DSP library.

With this book you will learn:

- The key differences between the Cortex M0/M0+/M3 and M4
- How to write C programs to run on Cortex-M based processors
- How to make best use of the Coresight debug system
- How to do RTOS development
- The Cortex-M operating modes and memory protection
- Advanced software techniques that can be used on Cortex-M microcontrollers
- How to optimise DSP code for the cortex M4 and how to build real time DSP systems

- An Introduction to the Cortex microcontroller software interface standard (CMSIS), a common framework for all Cortex M-based microcontrollers
- Coverage of the CMSIS DSP library for Cortex M3 and M4
- An evaluation tool chain IDE and debugger which allows the accompanying example projects to be run in simulation on the PC or on low cost hardware

Contents:

Introduction to ARM Cortex Processors
Developing with Cortex M Processors
Cortex-M Architecture
Debugging with CoreSight
Cortex Microcontroller Interface Standard
Advanced Architecture Features
Developing with an RTOS
Practical DSP for Cortex-M4
Future Trends

Ordering:

Order Online - http://www.researchandmarkets.com/reports/2088963/
Order by Fax - using the form below
Order by Post - print the order form below and send to

Research and Markets,
Guinness Centre,
Taylors Lane,
Dublin 8,
Ireland.
Fax Order Form
To place an order via fax simply print this form, fill in the information below and fax the completed form to 646-607-1907 (from USA) or +353-1-481-1716 (from Rest of World). If you have any questions please visit http://www.researchandmarkets.com/contact/

Order Information
Please verify that the product information is correct.

- Product Name: The Designer’s Guide to the Cortex-M Processor Family
- Web Address: http://www.researchandmarkets.com/reports/2088963/
- Office Code: SCAYPEAF

Product Format
Please select the product format and quantity you require:

<table>
<thead>
<tr>
<th>Quantity</th>
<th>Hard Copy (Paper back)</th>
<th>USD 51 + USD 28 Shipping/Handling</th>
</tr>
</thead>
</table>

* Shipping/Handling is only charged once per order.

Contact Information
Please enter all the information below in BLOCK CAPITALS

- Title: [Mr] [Mrs] [Dr] [Miss] [Ms] [Prof]
- First Name: ____________________________
- Last Name: ____________________________
- Email Address: * ____________________________
- Job Title: ____________________________
- Organisation: ____________________________
- Address: ____________________________
- City: ____________________________
- Postal / Zip Code: ____________________________
- Country: ____________________________
- Phone Number: ____________________________
- Fax Number: ____________________________

* Please refrain from using free email accounts when ordering (e.g. Yahoo, Hotmail, AOL)
Payment Information

Please indicate the payment method you would like to use by selecting the appropriate box.

☐ Pay by credit card: You will receive an email with a link to a secure webpage to enter your credit card details.

☐ Pay by check: Please post the check, accompanied by this form, to:

Research and Markets,
Guinness Center,
Taylors Lane,
Dublin 8,
Ireland.

☐ Pay by wire transfer: Please transfer funds to:

Account number 833 130 83
Sort code 98-53-30
Swift code ULSBIE2D
IBAN number IE78ULSB98533083313083
Bank Address Ulster Bank,
27-35 Main Street,
Blackrock,
Co. Dublin,
Ireland.
