Safety rules for the construction and installation of lifts

Description: It includes the three parts of the 2001 edition of UNE-EN 81 standard, which establishes safety rules for the construction and installation of lifts. This document refers to electrical and hydraulic lifts, as well as to all kinds of mini-load machines.

Likewise, they include specifications on: minimum rules for the installation of lifts inside buildings or constructions, characteristics of the different elements of lift, safety devices, characteristics of operation, installation, protection against failures, operating instructions, inspections, tests, etc.
