The South African Defense Industry - Competitive landscape and Strategic Insights to 2016: Market Profile

Description:
Synopsis
This report provides analysis on competitive benchmarking along with top companies active across the South African defense industry. It features insights into the recent activity and strategic initiatives of key public sector companies that support the industry. The information is divided into sections such as company overview, products and services and alliances, to give the reader an understanding of the business environment in which the South African Defense industry operates.

Summary
ICD Research's "The South African Defense Industry - Competitive landscape and Strategic Insights to 2016: Market Profile" is an essential source of information covering the top companies of the defense industry in South Africa.

South Africa's defense sector is highly dependent on domestic procurement and, as a result, the majority of the market is controlled by state-owned Denel.

Reasons To Buy
"The South African Defense Industry - Competitive landscape and Strategic Insights to 2016: Market Profile" allows you to:

- Gain insight into the competitive landscape of the South African defense industry.
- Identify top companies in the South African defense industry along with profiles of those companies.
- Analyse the activity of key defense companies (both domestic and foreign), together with insights such as key alliances, strategic initiatives, and a brief financial analysis.
