Handbook of Vinyl Formulating. 2nd Edition. Wiley Series on Polymer Engineering and Technology

Description: Your guide to vinyl formulation recipes and step-by-step guidance to meet your exact needs

Here is your starting point and complete guide to polyvinyl chloride (PVC) formulation. It covers the basics of vinyl formulation, starting formulations for compounds, and the latest compounding ingredients. Since publication of the acclaimed first edition, a standard reference used by vinyl technologists around the world, there have been many new developments in vinyl formulation as well as new discoveries and insights into the underlying mechanisms. It's all covered here in the second edition, in one highly readable, expertly organized volume.

Each chapter of this second edition is written by one or more leading experts in vinyl formulation. Richard Grossman, the editor, carefully reviewed and structured the entire volume to ensure that it is not only comprehensive, but also of a consistent level of superior quality throughout. As a result, you can confidently turn to the Handbook of Vinyl Formulating whenever you need to:

Find a recipe for a particular application

Discover how to modify a recipe based on your specific needs

Understand why ingredients produce their particular effects

Get step-by-step guidelines for vinyl formulating

Learn about the latest compounding ingredients and their potential applications

In addition to meeting the needs of experienced vinyl technologists, this book is recommended as a basic guide to train new professionals entering the industry. From plumbing pipes to home siding to thin films and sheeting, you'll find the right vinyl formulation here along with clear, straightforward guidance.

Contents:

Contributors.

2. Resin Selection for PVC Applications (Paul Kroushl).
21. Formulating Rigid PVC for Extrusion (George A. Thacker).
22. Design of Experiments (R. J. Del Vecchio).

Index.

Ordering:
Order Online - http://www.researchandmarkets.com/reports/2178323/
Order by Fax - using the form below
Order by Post - print the order form below and send to

Research and Markets,
Guinness Centre,
Taylors Lane,
Dublin 8,
Ireland.
Fax Order Form
To place an order via fax simply print this form, fill in the information below and fax the completed form to 646-607-1907 (from USA) or +353-1-481-1716 (from Rest of World). If you have any questions please visit
