Reference Stress Methods. Analysing Safety and Design

Description: Reference Stress Methods are a mature technique that offers a simplified way of identifying the critical areas of stress in mechanical or structural components. It is an approach that is more intuitive and less sensitive to the details of material properties than the more complex and detailed full FEA/FEM procedures.

Some of the best structural/stress specialists have contributed to this book, making it of special interest to professional and academic engineers concerned with structural integrity, stress, inspection, and failure analysis. Civil engineers will also be keen to find out more about this method, as will those investigating engineering accidents.

Dr Ian Woodall is a member and currently Vice–Chairman of the IMechE Structural Technology and Materials Group. After over 30 years in the nuclear industry involved in structural integrity and other related safety matters, he is now a Consultant Engineer.

Topics covered include:

- Determining the basic parameters
- Extending the approach to weldments
- Applications

Order by Fax - using the form below

Order by Post - print the order form below and send to

Research and Markets,
Guinness Centre,
Taylors Lane,
Dublin 8,
Ireland.
**Fax Order Form**

To place an order via fax simply print this form, fill in the information below and fax the completed form to 646-607-1907 (from USA) or +353-1-481-1716 (from Rest of World). If you have any questions please visit [http://www.researchandmarkets.com/contact/](http://www.researchandmarkets.com/contact/)

**Order Information**

Please verify that the product information is correct.

- **Product Name:** Reference Stress Methods. Analysing Safety and Design
- **Web Address:** [http://www.researchandmarkets.com/reports/2179316/](http://www.researchandmarkets.com/reports/2179316/)
- **Office Code:** SCDKNUHI

**Product Format**

Please select the product format and quantity you require:

- **Quantity**
  - Hard Copy (Hard Back): [ ] USD 231 + USD 29 Shipping/Handling

* Shipping/Handling is only charged once per order.

**Contact Information**

Please enter all the information below in **BLOCK CAPITALS**

- **Title:** [ ] Mr  [ ] Mrs  [ ] Dr  [ ] Miss  [ ] Ms  [ ] Prof
- **First Name:** ____________________________
- **Last Name:** ____________________________
- **Email Address:** * ____________________________
- **Job Title:** ____________________________
- **Organisation:** ____________________________
- **Address:** ____________________________
- **City:** ____________________________
- **Postal / Zip Code:** ____________________________
- **Country:** ____________________________
- **Phone Number:** ____________________________
- **Fax Number:** ____________________________

Payment Information

Please indicate the payment method you would like to use by selecting the appropriate box.

☐ Pay by credit card: You will receive an email with a link to a secure webpage to enter your credit card details.

☐ Pay by check: Please post the check, accompanied by this form, to:
Research and Markets,
Guinness Center,
Taylors Lane,
Dublin 8,
Ireland.

☐ Pay by wire transfer: Please transfer funds to:
Account number 833 130 83
Sort code 98-53-30
Swift code ULSBIE2D
IBAN number IE78ULSB98533083313083
Bank Address Ulster Bank,
27-35 Main Street,
Blackrock,
Co. Dublin,
Ireland.
