Multilingual Illustrated Guide to the World's Commercial Coldwater Fish

Description: Each two-page spread in the new Multilingual Illustrated guide to the world's commercial coldwater fish is a succinct and highly-visual presentation of all that is pertinent to a particular species – over 170 species are covered in all. Information is presented, wherever possible, in tabular and diagramatic format for ease and speed of use – textual description is kept to a minimum. The guide encapsulates a wealth of information vital to all who are concerned with coldwater fish of commercial importance, including traders, processors, fisheries scientists, commercial fishermen, and fisheries economists.
