Presale: Fortress Credit Funding V L.P. Jul 12

Description:
Abstract
Standard & Poor's Ratings Services' portfolio analysis for this transaction is based on the collateral manager's decision to manage this transaction to maintain the portfolio collateral's original credit quality. This analysis generally reflects the application of our criteria to a combination of purchased collateral, collateral committed to be purchased, and the indicative portfolio of assets provided to us by the collateral manager and may also reflect our assumptions about the transaction's investment guidelines. The results from Standard & Poor's CDO Evaluator, cash flow model, and sensitivity analysis take into account the above mentioned portfolio along with the additional assumptions or stresses that form the basis for the assigned preliminary ratings. The preliminary ratings assigned to Fortress Credit Funding V L.P.'s...

Companies mentioned in this report are:
- Fortress Credit Funding V LP

Standard and Poors RatingsXpress Credit Research provides in-depth coverage of international corporates, financial institutions, insurance companies, utilities, sovereigns and structured finance programs. RatingsXpress Credit Research lets users determine the credit rating of holdings and identify key factors underlying an issuer's creditworthiness, distinguishes the different risk exposures for new and existing deals, and provides an understanding of how their analysts interpret key regulatory, political and environmental events and their economic impact.
