Summary: Casella Waste Systems Inc. Aug 12

Description:  Abstract
The ratings on Casella reflect our view of Casella's financial risk as "highly leveraged" (as our criteria define the term) marked by high debt balances and minimal free cash generation. We view Casella's business risk profile as "fair" (as our criteria define the term), reflecting the company's participation in a recession-resistant industry, its competitive market positions in its operating regions, and generally good profitability despite its somewhat modest scale of operations. Casella is a vertically integrated provider of collection, recycling, transfer, and disposal services to residential, commercial, and industrial customers. Its annual sales as of its fiscal year end of April 30, 2012, totaled $481 million, making it one of the larger regional solid waste haulers. The company operates predominantly...
