The Russia Defense Industry - Competitive Landscape and Strategic Insights to 2017: Market Profile

Description:

Synopsis

This report provides analysis on competitive benchmarking along with top companies active across the Russian defense industry. It features insights into the recent activity and strategic initiatives of key public sector companies that support the industry. The information is divided into sections such as company overview, products and services and alliances, to give the reader an understanding of the business environment in which the defense industry operates.

Summary

ICD Research's "The Russia Defense Industry - Competitive Landscape and Strategic Insights to 2017: Market Profile" is an essential source of information covering the top companies of the defense industry in Russia.

The Russian defense sector is an export intensive market, with the majority of the country's armed forces' needs catered to by domestic defense firms. With the country focused on enhancing its technological capabilities in order to upgrade its existing systems and develop advanced systems, local defense firms are being increasingly well supported, with increased budgets for research and development.

Reasons To Buy

"The Russia Defense Industry - Competitive Landscape and Strategic Insights to 2017: Market Profile" allows you to:

- Gain insight into the competitive landscape of the Russian defense industry.
- Identify top companies in the Russian defense industry along with profiles of those companies.
- Analyse the activity of key defense companies (both domestic and foreign), together with insights such as key alliances, strategic initiatives, and a brief financial analysis.
