Bloomberg

Description: The United States confronts its greatest economic crisis since the 1930s. President Obama has taken quick and decisive action to enact an economic stimulus package strong enough to address problems of historic proportions. What does this new package mean for American families, businesses, investors, and taxpayers?

The Audacity of Help unrolls the blueprints and offers insights on how the economic stimulus package—as passed by Congress and signed into law by President Obama—will affect healthcare, education, the environment, energy, taxes, and more. The book includes analysis of sectors and industries that will benefit, as well as those that will not. Wasik's conclusions are firmly grounded in a comprehensive and enlightening evaluation of the final economic package passed into law. Extensive study and interviews with experts from each economic sector support his analysis.

Contents:

Preface.

Introduction: A brief history of Obamanomics.

1. First Aid and Income Boosters.
