The Handbook of Scholarly Writing and Publishing

Description: Focusing on writing for publication, The Handbook of Scholarly Writing and Publishing discusses the components of a manuscript, types of manuscripts, and the submission process. It shows how to craft scholarly papers and other writing suitable for submission to academic journals. The handbook covers how to develop writing skills by offering guidance on becoming an excellent manuscript reviewer and outlining what makes a good review, and includes advice on follow-through with editors, rejection, and rewrites and re-submittals.
