Blackwell's Five-Minute Veterinary Consult Clinical Companion. Small Animal Dermatology. 2nd Edition

Description: This quick reference manual offers accessible, reliable knowledge on small animal dermatology in the popular Blackwell's Five-Minute Veterinary Consult format. The second edition of Blackwell's Five-Minute Veterinary Consult Clinical Companion: Small Animal Dermatology is a completely new compilation of information, with chapters rewritten, reorganized, and updated to offer even faster access to commonly used dermatology information. Aiding busy practitioners in making rapid, accurate decisions, the book offers complete coverage of diagnostic tools and information in an easy-to-use bulleted format.

Key Features:
- Part of the popular Blackwell's Five–Minute Veterinary Consult series
- Offers quick access to reliable information on the most common small animal dermatologic diseases and conditions
- Provides a fully revised and reorganized update, with many new chapters
- Easy-to-use bulleted format helps in making rapid, accurate decisions
- Integrates more than 550 color photographs into the text as an aid in diagnosis
- Provides client handouts for use in clinical practice on a back-of-the-book CD
