We Blog. Publishing Online with Weblogs

Description: Your Complete Guide to Creating and Maintaining Weblogs
Weblogs offer an exciting new way to voice your opinions, share ideas with others, and help your business grow. Written by a team of weblog pioneers—the people who helped create Blogger and the MetaFilter community blog—this book shows you how to build, evolve and automate weblogs for personal and business use.

We Blog begins with a complete overview of blog history, the different kinds of weblogs that exist today, and more. It further explains how to create, expand, and promote your own blog, from getting the most out of a variety of blogging tools and services to building a blog for business and expanding your audience through syndication.

Packed with insider advice, practical exercises, and illuminating interviews, We Blog is your indispensable guide to the world of weblogs.
