
Description: An in-depth technical guide on the security technology driving Internet e-commerce expansion. "Planning for PKI" examines the number-one Internet security technology that will be widely adopted in the next two years. Written by two of the architects of the Internet PKI standards, this book provides authoritative technical guidance for network engineers, architects, and managers who need to implement the right PKI architecture for their organization. The authors discuss results and lessons learned from early PKI pilots, helping readers evaluate PKI deployment impact on current network architecture while avoiding the pitfalls of early technical mistakes. Four technical case studies detail the do's and don'ts of PKI implementation, illustrating both successes and failures of different deployments. Readers will also learn how to leverage future PKI-related technologies for additional benefits.

Contents: Foreword.
Acknowledgments.
Introduction.
Cryptography Primer.
PKI Basics.
Authentication Mechanisms.
PKI Components and Users.
PKI Architectures.
X.509 Public Key Certificates.
Certificate Revocation Lists.
Repository Protocols.
Building and Validating Certification Paths.
PKI Management Protocols.
Policies, Procedures, and PKI.
PKI-Enabled Applications.
Defense Message System 1.0.
California Independent Service Operator.
The Federal Bridge CA Project.
Future Developments.
Appendix A: ASN.1 Primer.
Appendix B: Object Identifiers.
Bibliography.
Ordering:

Order Online - [http://www.researchandmarkets.com/reports/2249982/](http://www.researchandmarkets.com/reports/2249982/)

Order by Fax - using the form below

Order by Post - print the order form below and send to

Research and Markets,
Guinness Centre,
Taylors Lane,
Dublin 8,
Ireland.
Fax Order Form
To place an order via fax simply print this form, fill in the information below and fax the completed form to 646-607-1907 (from USA) or +353-1-481-1716 (from Rest of World). If you have any questions please visit http://www.researchandmarkets.com/contact/

Order Information
Please verify that the product information is correct.
