Summary
SDI's "The Sweden Defense Industry - Competitive Landscape and Strategic Insights to 2017: Market Profile" is an essential source of information covering the top companies of the defense industry in Sweden.

Sweden possesses a well-developed domestic defense industry that is capable of producing advanced defense systems, which it exports to most European countries such as Switzerland, the Netherlands, Greece and the Czech Republic. Due to the sophistication of the Swedish defense industry, 90% of all military equipment acquisitions can be met by Swedish contractors, of which only 15% are handled by foreign subcontractors.
