Description:
Synopsis
This report provides analysis on competitive benchmarking along with top companies active across the Spain defense industry. It features insights into the recent activity and strategic initiatives of key public sector companies that support the industry. The information is divided into sections such as company overview, products and services and alliances, to give the reader an understanding of the business environment in which the defense industry operates.

Summary
SDI's "The Spain Defense Industry - Competitive Landscape and Strategic Insights to 2017: Market Profile" is an essential source of information covering the top companies of the defense industry in Spain.

The Spanish defense industry recorded a decade of strong growth, largely as a result of its participation in large scale programs for the procurement of advanced defense systems. However, during the forecast period, the country will try to consolidate its defense industry into the integrated European defense industry.
