Summary: Heckler & Koch GmbH Dec 12

Description:

Abstract
The ratings on Germany-based defense contractor Heckler & Koch reflect Standard & Poor's Ratings Services' assessment of the company's business risk profile as "weak" and financial risk profile as "highly leveraged" under our criteria. Our assessment of Heckler's business risk profile reflects the company's limited size, competitive pressure, and high customer concentration. These risks are partially offset by Heckler & Koch's strong brand recognition and satisfactory profitability. The company's weak liquidity, weak credit measures, and very aggressive financial policy are the main reasons for our classification of its financial risk profile as "highly leveraged". We also envisage that Heckler & Koch will have limited financial flexibility to meet any high-impact, low-probability events, particularly as the group has only a small...

Standard and Poors Ratings

RatingsXpress Credit Research provides in-depth coverage of international corporates, financial institutions, insurance companies, utilities, sovereigns and structured finance programs. RatingsXpress Credit Research lets users determine the credit rating of holdings and identify key factors underlying an issuer’s creditworthiness, distinguishes the different risk exposures for new and existing deals, and provides an understanding of how their analysts interpret key regulatory, political and environmental events and their economic impact.

This product consists of a Summary Analysis: Bi-annual (at least). An abbreviated analysis containing Standard & Poor’s issuer credit ratings as of the time the article was published. The analysis includes a rating rationale - the basis on which the rating was assigned - and an outlook section if the issuer is not on CreditWatch. Financial statistics are not included.
