Summary: Calyon Jan 08

Description:
Abstract
The ratings on France-based Calyon reflect its core position as the corporate and investment banking (CIB) arm of the Crédit Agricole group, whose member regional retail banks and central entity, Crédit Agricole S.A. (CASA), are rated AA-/Stable/A-1+. Because Standard & Poor's Ratings Services considers Calyon to be fully integrated into the group, implicit shareholder support is the key rating factor. The ratings also take into account Calyon's satisfactory stand-alone creditworthiness. The bank's satisfactory franchise, revenue diversification, and adequate capital position balance risks in the corporate book and trading activities, and the risk management challenge of keeping up with rapid organic growth. Calyon now has attained critical mass in CIB, ranking among the top three in France and in the top...

Standard and Poors RatingsXpress Credit Research provides in-depth coverage of international corporates, financial institutions, insurance companies, utilities, sovereigns and structured finance programs. RatingsXpress Credit Research lets users determine the credit rating of holdings and identify key factors underlying an issuer's creditworthiness, distinguishes the different risk exposures for new and existing deals, and provides an understanding of how their analysts interpret key regulatory, political and environmental events and their economic impact.

This product consists of a Summary Analysis: Bi-annual (at least). An abbreviated analysis containing Standard & Poor's issuer credit ratings as of the time the article was published. The analysis includes a rating rationale - the basis on which the rating was assigned - and an outlook section if the issuer is not on CreditWatch. Financial statistics are not included.
