Description: Abstract

The ratings on France-based Calyon reflect its core position as the corporate and investment banking (CIB) arm of the Crédit Agricole group, whose member regional retail banks and central entity, Crédit Agricole S.A. (CASA), are rated AA-/Stable/A-1+. Because Standard & Poor's Ratings Services considers Calyon to be fully integrated into the group, implicit shareholder support is the key rating factor. The ratings also take into account Calyon's deteriorated but still adequate stand-alone creditworthiness. Calyon's image has suffered because the bank is among the institutions the most hard hit by subprime-related write-downs. However, the Crédit Agricole group reacted by changing the management at Calyon and implementing a drastic strategic repositioning that it presented in detail in September 2008. This should contribute...

Standard and Poors RatingsXpress Credit Research provides in-depth coverage of international corporates, financial institutions, insurance companies, utilities, sovereigns and structured finance programs. RatingsXpress Credit Research lets users determine the credit rating of holdings and identify key factors underlying an issuer's creditworthiness, distinguishes the different risk exposures for new and existing deals, and provides an understanding of how their analysts interpret key regulatory, political and environmental events and their economic impact.

This product consists of a Summary Analysis: Bi-annual (at least). An abbreviated analysis containing Standard & Poor’s issuer credit ratings as of the time the article was published. The analysis includes a rating rationale - the basis on which the rating was assigned - and an outlook section if the issuer is not on CreditWatch. Financial statistics are not included.
