Jewellery (Nordic) - Industry Report

Description: The Jewellery (Nordic) Analysis provides a detailed overview of the UK Jewellery (Nordic) market and delivers a comprehensive individual analysis on the top 233 companies, including Nordic ELEMENTS AB, DAVID-ANDERSEN AS and URMAKER BJERKE AS.

This report includes a wealth of information on the financial trends over the past four years.

The latest Jewellery (Nordic) analysis is ideal for anyone wanting to:

- See the market leaders
- Identify companies heading for failure
- Seek out the most attractive acquisition
- Analyse industry trends
- Benchmark their own financial performance

Using exclusive methodology, a quick glance of this Jewellery (Nordic) report will tell you that 20 companies have a declining financial rating, while 40 have shown good sales growth.

Each of the largest 233 companies is meticulously scrutinised in a two-page individual assessment and is analysed using the most up-to-date and current financial data.

Every business is examined on the following features:

- The Plimsoll Chart: A graphical assessment of a company's financial performance
- Four year assessment of the profit/loss and balance sheet
- A written summary highlighting key performance issues

Subsequently, you will receive a thorough 100-page market analysis highlighting the latest changes in the Jewellery (Nordic) market.

This section includes:

- Best Trading Partners
- Sales Growth Analysis
- Profit Analysis
- Market Size
- Rankings

Contents: Jewellery (Nordic) analysis is the most definitive and accurate study of the Jewellery (Nordic) sector in 2015.

The report is split into two sections and uses both a written and graphical analysis - analysing the 233 largest Jewellery (Nordic) companies.

The Jewellery (Nordic) report contains the most-up-to-date financial data and Plimsoll applies these figures to create their unique and authoritative analysis.

Indeed, the first section thoroughly scrutinises the market and this section includes the following:

- Best Trading Partners: These are companies that are winning in both sales and financial strength - for example AB NYMANS UR 1851 has been ranked as a best trading partner in the industry.
- Sales Growth Analysis: This section reviews the fastest growing and fastest shrinking company - for example URFACKHANDLARNA ARDA AB is among the fastest growing.
- Profit Analysis - Analysis of gross profit and pre-tax profit over several years and a profitability summary comparing profits in the industry against small, medium and large companies.
- Market Size: Based on the largest 233 companies, this is a comparison between last year’s market size and the most current figure (3.2 billion).
- Rankings: The top 50 companies ranked by: Market Share, Sales Growth, Gross Profit and Pre-tax Profit.

The next section focuses on company analysis and provides an in-depth analysis of the largest companies within the Jewellery (Nordic) industry.

Each business is analysed using an unequivocal model and culminates in the production of the Plimsoll Chart. The Plimsoll Model uses a series of charts to graphically analyse an individual company and measure its ability to achieve sales growth while maintaining financial strength.

The Plimsoll Chart is a quick and dependable method of analysing a company's financial well-being. It's simple to understand: a rising line is good news and a falling line is bad news.

Therefore, this company analysis will tell you if a company is:

- Strong or heading for failure
- Utilising their investments
- Becoming burdened by debt
- Getting the most from their resources

The Plimsoll Jewellery (Nordic) analysis also provides you with full business name and address, names of directors and registration address.
