How To. Collected Articles from BSAVA Companion

Description: This new book brings together 40 of the best How to articles published in companion (the BSAVA's monthly membership magazine) over the past four years into an easy reference book.

- Practical tips and tricks on a wide variety of commonly-encountered situations.
- From how to place an oesophagostomy tube, through microchipping chelonians, to selecting and carrying out a gastropexy procedure.
- Articles have been revised and updated where appropriate, so they remain current.
- Illustrated throughout.

Contents:
Foreword
