Banco Santander Meridional S.A. Apr 03

Description:  
Abstract  
The ratings on Banco Santander Meridional S.A. benefit from the strong domestic position of its ultimate parent, Banco Santander Central Hispano S.A. (BSCH, rated A/Stable/A-1) and its commitment to the Brazilian operation, and the group's strong position in the Brazilian market. Other factors include the group's improving profitability and liquidity. The ratings also consider Santander Group in Brazil's still-weak capitalization and, like other banks operating in the country, the uncertainties of operating in Brazil and exposure to the economic risk of the financial system. Santander Meridional is part of the group's operations in Brazil. Together with Banco Santander Brasil S.A. and Banco do Estado de Sao Paulo S.A. (Banespa), the Brazilian operation maintains its importance to the group's overall strategy...
