Summary: Hays County Water Control & Improvement District No.1, Texas; General Obligation Mar 11

Description: Abstract
Standard & Poor's Ratings Services affirmed its 'BBB+' long-term rating and underlying rating (SPUR), with a stable outlook, on Hays County Water Control & Improvement District No.1, Texas' general obligation (GO) debt. The rating reflects our view of the district's: Access to the diverse and established Austin metropolitan statistical area, which serves as a regional economic base, anchored by the presence of state government and a major university; and Moderate property tax rate. The ratings are constrained, in part, by our view of the district's: Adequate, though improved, financial position; and High overall net debt burden. An unlimited ad valorem tax levied against all taxable property within the district secures the bonds. Encompassing roughly 632 acres and located within Dripping...

Standard and Poors RatingsXpress Credit Research provides in-depth coverage of international corporates, financial institutions, insurance companies, utilities, sovereigns and structured finance programs. RatingsXpress Credit Research lets users determine the credit rating of holdings and identify key factors underlying an issuer's creditworthiness, distinguishes the different risk exposures for new and existing deals, and provides an understanding of how their analysts interpret key regulatory, political and environmental events and their economic impact.

This product consists of a Summary Analysis: Bi-annual (at least). An abbreviated analysis containing Standard & Poor's issuer credit ratings as of the time the article was published. The analysis includes a rating rationale - the basis on which the rating was assigned - and an outlook section if the issuer is not on CreditWatch. Financial statistics are not included.
