Regulating the Closed Corporation

Description: Aims and Scope

The renowned authors of this ECFR special volume systematically develop legal standards and regulatory frameworks for closed corporations in Europe (including of course the Societas Privata Europaea), putting a strong focus on the economic practice and efficiency. The profound, in-depth analysis of the objectives and strategies comes to groundbreaking insights and also offers specific solutions for a multitude of practical aspects.

Key Features:

- The authors develop an analytical framework for regulating the closed corporation
- Results are most relevant to policymakers on the EU level (Societas Privata Europaea)
- Results are also most relevant reforms on the Member States' level or for other countries who wish to reform their closed corporation codes
- Authors are renowned academics with a significant track record in advising states and supra-national organizations on policy issues
