Series 4 Textbook & Exam Prep Software Combination Package

Description:

The go-to guide to acing the Series 4 Exam!

The Registered Options Principal Qualification Examination (Series 4) was designed to test a candidate's knowledge of the rules and statutory provisions applicable to the supervisory management of a firm's options personnel and options accounts. After passing the exam, a registered person may supervise a FINRA member firm's options business and is qualified to oversee trades on all forms of options, from equity options to foreign currency options to options on government and mortgage-backed securities.

The subject areas covered in the exam are: Options Investment Strategies; Supervision of Sales Activities and Trading Practices; Supervision of Employees, Business Conduct; and Recordkeeping and Reporting Requirements.

Series 4 Exam Review 2013 arms you with what you need to score high on the test. Designed to let you build and fine-tune your knowledge of all areas covered in the exam and to guarantee that you’re prepared mentally and strategically to take the test, it provides:

- Dozens of examples
- 191 practice questions covering each subject area in the exam
- Priceless test-taking tips and strategies
- Helpful hints on how to study for the test, manage stress, and stay focused

The Series 4 Exam Prep Software allows you to take practice tests anytime, anywhere using any PC, Mac, Phone or Tablet. Create your own randomized quizzes - YOU select the topics, number of questions, how and when answers are revealed to you. Randomized finals let you know when you are ready to take the test. With over 650 questions the series 4 exam prep software is a must have product to ensure you have mastered the knowledge and are ready to pass your series 4 exam. Works with all major browsers and mobile devices.

This Series 4 Combi Package is your ticket to passing this difficult three-hour test on the first try—with flying colors!
