Series 6 Textbook & Exam Prep Software Combination Package

Description:
The go-to guide to acing the Series 6 Exam!

Passing the Series 6 Exam qualifies an individual to function as an agent of a broker dealer and allows the limited representative to transact business in mutual funds (closed-end funds on the initial offering only), unit investment trusts, variable annuities, and variable life insurance products. In addition to passing the Series 6 Exam, an agent may be required to pass a state life insurance exam to transact business in variable contracts.

Series 6 Exam Review 2013 textbook arms you with what you need to score high on this tough 100-question test. Designed to let you build and fine-tune your knowledge of all areas covered in the exam and to guarantee that you’re prepared mentally and strategically to take the test, it provides:

- Dozens of examples
- 199 practice questions covering each subject area in the exam
- Priceless test-taking tips and strategies
- Helpful hints on how to study for the test, manage stress, and stay focused

The series 6 exam qualifies a candidate as an investment company and variable contract limited representative. After passing the series 6 exam the representative may transact business in open end mutual funds and variable contract products. The employing broker dealer must sponsor each candidate for the series 6 exam. There are no other prerequisites. The series 6 exam is 100 questions long with a time limit of 135 minutes. A passing score is 70 percent or higher.
