Series 24 Exam Textbook and Exam Prep Software Combination Package

Description: The go-to guide to acing the Series 24 Exam!

Passing the General Securities Principal Qualification Examination (Series 24) qualifies an individual to act as a principal of a general securities broker-dealer and to supervise the firm and its agents. The exam covers the supervision of such areas as investment banking, underwriting, and research practices; trading and market-making; brokerage office operations; and sales practices and agents, as well as compliance with financial responsibility rules. Candidates must have passed the Series 62 or Series 7 prior to taking the Series 24 Exam.

The Series 24 Exam Review 2013 arms you with everything you need to pass this intensive 150-question test. Designed to help you build and fine-tune your knowledge of all areas covered in the exam and to guarantee that you're prepared mentally and strategically to take the test, it provides:

- Dozens of examples
- 323 practice questions covering each subject area in the exam
- Priceless test-taking tips and strategies
- Helpful hints on how to study for the test, manage stress, and stay focused

The exam prep software included in this package allows you to take practice tests anytime, anywhere using any PC, Mac, Phone or Tablet. Create your own randomized quizzes - YOU select the topics, number of questions, how and when answers are revealed to you. Randomized finals let you know when you are ready to take the test. With over 1250 questions the series 24 exam prep software is a must have product to ensure you have mastered the knowledge and are ready to pass your series 24 exam. Works with all major browsers and mobile devices.
