Series 55 Exam: The Equity Trader Qualification Examination Prep Software

Description: The go-to guide to acing the Series 55 Exam!

Passing the Equity Trader Qualification Exam (Series 55) qualifies an individual to trade equity and convertible debt securities on a principal or agency basis, after having passed either the Series 62 or Series 7 Exam. Topics covered in the test include NASDAQ and over-the-counter securities, quotation and market maker requirements, regulation of the national market system, trading and market halts, prearranged and third-party trades, anti-competitive trading practices, transactions in accounts, trade reporting requirements, insider trading regulations, and more.

Take practice tests anytime, anywhere using any PC, Mac, Phone or Tablet. Create your own randomized quizzes - YOU select the topics, number of questions, how and when answers are revealed to you. Randomized finals let you know when you are ready to take the test. With over 550 sample questions the series 55 exam prep software is a must have product to ensure you have mastered the knowledge and are ready to pass your series 55 exam.
