Series 99 Exam Textbook and Exam Prep Software

Description:
The go-to guide to acing the Series 99 Exam!

Passing the Operations Professional Qualification Exam (Series 99) qualifies an individual to perform a variety of operations functions in support of a broker-dealer. The exam covers the broker-dealer business at a fundamental level, standard operations functions, investor protection and market integrity regulations, identifying and escalating regulatory red-flag issues to the appropriate person in a firm, and professional conduct and ethical standards. There are no prerequisites for the Series 99 Exam, but all candidates must be sponsored by a FINRA member firm.

The Series 99 Exam Review 2013 arms you with everything you need to pass this challenging 100-question test. Designed to help you build and fine-tune your knowledge of all areas covered in the exam and to guarantee that you’re prepared mentally and strategically to take the test, it provides:

- Dozens of examples
- Assorted practice questions for each subject area covered in the exam
- Priceless test-taking tips and strategies
- Helpful hints on how to study for the test, manage stress, and stay focused

The software included in this package allows you to take practice tests anytime, anywhere using any PC, Mac, Phone or Tablet. Create your own randomized quizzes - YOU select the topics, number of questions, how and when answers are revealed to you. Randomized finals let you know when you are ready to take the test. With over 1000 questions the series 99 exam prep software is a must have product to ensure you have mastered the knowledge and are ready to pass your series 99 exam. The software works with all major browsers and mobile devices.

The specially prices Series 99 Exam Combination package is your ticket to passing the Series 99 test on the first try—with flying colors!
