Summary: Cap Gemini S.A. Feb 04

Description:

Abstract
The rating on Cap Gemini S.A. continues to reflect the group's leading positions in the global IT services and consulting markets, its well balanced presence in the large markets of the EU and the U.S., and its conservative financial profile, which derives from a prudent financial policy. The rating takes into consideration the industry's favorable long-term prospects and low capital intensity. However, it also acknowledges that, despite recent rebalancing efforts in favor of more predictable contracted revenues, Cap Gemini's significant exposure to projects-and-consulting revenues led to a decline in sales during the recent downturn that was steeper than that of peers. In addition, outsourcing, especially for the public sector, is expected to continue fueling market demand in the near term,...

Standard and Poors RatingsXpress Credit Research provides in-depth coverage of international corporates, financial institutions, insurance companies, utilities, sovereigns and structured finance programs. RatingsXpress Credit Research lets users determine the credit rating of holdings and identify key factors underlying an issuer's creditworthiness, distinguishes the different risk exposures for new and existing deals, and provides an understanding of how their analysts interpret key regulatory, political and environmental events and their economic impact.

This product consists of a Summary Analysis: Bi-annual (at least). An abbreviated analysis containing Standard & Poor's issuer credit ratings as of the time the article was published. The analysis includes a rating rationale - the basis on which the rating was assigned - and an outlook section if the issuer is not on CreditWatch. Financial statistics are not included.
