Summary: Carlisle Cos. Inc. Nov 10

Description:

Abstract

Standard & Poor's Ratings Services' ratings on Charlotte, N.C.-based Carlisle Cos. Inc. reflect the company's satisfactory business profile, with leading business positions in a variety of niche industrial and consumer markets, and its intermediate financial risk profile. We anticipate that Carlisle will likely maintain credit measures exceeding our expectations for the rating following the close of its recently announced $413 million acquisition of Hawk Corp. However, the company will have less capacity for debt-financed acquisitions in the next few quarters at the current ratings. Still, we expect Carlisle's mix of businesses to perform adequately in 2011 with key cash flow metrics, such as funds from operations (FFO), growing year-over-year. Despite recent acquisition activity in other segments, more than half of...

Standard and Poors RatingsXpress Credit Research provides in-depth coverage of international corporates, financial institutions, insurance companies, utilities, sovereigns and structured finance programs. RatingsXpress Credit Research lets users determine the credit rating of holdings and identify key factors underlying an issuer's creditworthiness, distinguishes the different risk exposures for new and existing deals, and provides an understanding of how their analysts interpret key regulatory, political and environmental events and their economic impact.

This product consists of a Summary Analysis: Bi-annual (at least). An abbreviated analysis containing Standard & Poor's issuer credit ratings as of the time the article was published. The analysis includes a rating rationale - the basis on which the rating was assigned - and an outlook section if the issuer is not on CreditWatch. Financial statistics are not included.
