The Global Shale Gas and Oil Industry Report

Description: The Global Shale Gas and Oil Report from highlights the key developments in the fast-growing shale gas and oil industry. Moreover, this report highlights the developments in shale gas and oil industries outside of the United States and assesses which countries will follow the US' lead in developing their own shale gas and oil sectors. In addition, this report highlights the impact that this industry will have on the US and global economies in the coming years.

Contents: The ISA Global Shale Gas and Oil Report includes:
1. An overview of the global shale gas and oil industry.
3. An analysis of the industries in countries with significant reserves of shale gas and oil.
4. An analysis of the key export markets for shale gas and oil.
5. An assessment of the impact of the industry on the economic competitiveness of the United States and other shale gas and oil producing countries.
