Summary: Cameron International Corp. Mar 07

Description: Abstract
The ratings on Cameron International Corp. (formerly Cooper Cameron Corp.) reflect the company's position as a large manufacturer and supplier of pressure-control equipment for the oil and gas industry, and a diversified international base of operations. Furthermore, the ratings are supported by a consistent track record of solid operational performance, a meaningful base of after-market sales (which helps reduce some exposure to industry cyclicality), and an intermediate financial risk profile. These strengths are partially offset by a high degree of competitive pressures in the company's core product lines, some exposure to the cyclical and volatile spending patterns of exploration and production (E&P) companies, and the risks associated with a historically acquisitive growth strategy. Houston, Texas-based Cameron had $1.05 billion in...
