Summary: Camino Real Regional Mobility Authority, Texas; Miscellaneous Tax Apr 14

Description:
Standard & Poor's Ratings Services assigned its 'AA-' rating and stable outlook to Camino Real Regional Mobility Authority, Texas' series 2014 senior-lien vehicle registration fee revenue bonds. The rating reflects our opinion of: A large and diverse economic base in which the $10 vehicle registration fee is levied; The El Paso County’s healthy economic growth, which has contributed to strong vehicle registrations despite the recent national economic downturn; and The authority's pledged revenue, providing 1.36x projected maximum annual debt service (MADS) coverage. We believe the rating is somewhat constrained by, what we consider, the authority's: Lack of fee indexing, limiting future pledged revenue growth despite inflation; and Limited operating responsibilities, coupled with a service mandate to fund transportation-related capital projects...
