Violence and Society. Toward a New Sociology. Sociological Review Monographs

Description: What is violence and how can we understand it sociologically? And is society becoming increasingly inured to acts of violent behaviour? Pushing beyond widely accepted sociological theories of the complexity of violence, Violence and Society: Toward a New Sociology gathers leading national and international experts to set a new agenda for our understanding of interpersonal and state violence in contemporary society. Through an in-depth analysis of issues that include the nature of contemporary war; gender-based violence and street fights; and of the role of biography, the body, culture, emotion, and time in the exercise and experience of violence, chapters reveal how modern sociological thinking is at odds with a proper understanding of the nature and root causes of violence. Timely and important, Violence and Society: Toward a New Sociology sheds important new light on our understanding of the world we live in.

Contents:

Preface and acknowledgements

Introduction (Jane Kilby and Larry Ray)

1. The socioeconomic function of evil (Steve Hall)

2. Trauma, guilt and the unconscious: some theoretical notes on violent subjectivity (Simon Winlow)

3. The sociological analysis of violence: new perspectives (Michel Wieviorka)

4. Is war becoming obsolete? A sociological analysis (Siniša Maleševic)

5. Family honour and social time (Mark Cooney)

6. Towards an embodied sociology of war (Kevin McSorley)

7. On violent democracy (Karl von Holdt)

8. Violence before identity: an analysis of identity politics (Glenn Bowman)

9. Competitive violence and the micro-politics of the fight label (Curtis Jackson-Jacobs)

10. Mainstreaming domestic and gender-based violence into sociology and the criminology of violence (Sylvia Walby, Jude Towers and Brian Francis)
