The Children's Educational Software Market

Description: Packaged Facts report provides detailed analysis of this $2-billion market, examining three market segments: packaged software for the home market; packaged software for the school market; and software for integrated learning systems (ILS). This report also: projects market performance through the year 2002; analyzes marketing and new product trends; presents an overview of the competitive situation and profiles major marketers; presents data on advertising expenditures; analyzes Simmons and other data on consumer purchasing behaviors; and much more. Individual sections are available.

Contents:

I. Executive Summary

The Products
Education vs. Entertainment
"Edutainment"
School vs. Home Software
Preschool: Basic Skills
Early Elementary: Options Expand
Older Children: The Audience Diversifies
Interrelationship Between Hardware and Software

The Market
Home and School Sales Approach $2 Billion in 1997
Packaged Software for Home Nears $1 Billion
Floppy Software for Schools at $840 Million
Integrated Learning Software Falls to Third in Sales
CD-ROM Sales to Schools Rebound in 1997
Mixed Demographic Outlook
Market to Approach $3.3 Billion by 2002

Market Composition
CD-ROM Conquers Home Market
Floppy-Format Share at 97% for School Market
78% of Children's Software Runs on Windows
Mac Holds On to 60% of School Market
School-Level Share of Software Purchasing at 66%
Back-to-School Season "Overhyped"
Consumer Base by Region
Computer Superstores Claim 41% of Software Sales

The Marketers
Base of Participation
CUC and Learning Company Vie for Top Spot
Leading Companies in Home Market
Figure 1-1: Estimated Share of U.S. Retail Sales of Children's Educational Software: Top Marketers in Home Market, 1996 (percent):
The Learning Company, Broderbund, Sierra On-Line (CUC Software), Micrografx, Davidson & Associates (CUC Software), Others

Sub-$1,000 PCs and Sub-$10 Titles
Online and Internet Growth
Pace of New Title Introductions Slows
Software for the Preschool Crowd
Leading Educational Software Advertisers

Distribution and Retail
Role of Distributors in Home Market
Retailer Range and Distributor Role
The Broderbund Example
Computer Superstores Gain Software Share
Toys ‘R’ Us Triples Software Sales
Retail Price Points and Margins
Regional Norm for School-Market Distribution
Major Marketers Maintain Their Own Sales Force
The School Discount
Publishers Go Online

The Consumer
Home Computing Important Across Income Levels
12.5% of U.S. Adults Own CD-ROM Drive
27% of U.S. Households with Children 12-17 Own Computers
School Technology Expenditures Approach $4 Billion
RAND Research on Upgrade Costs
The McKinsey Models

Introduction to Competitive Profiles
12 Representative Companies
Table 4-3a: Corporate Summaries for Profiled Marketers (dollars): Year Formed, FY 96 Sales, Product Line
Description, Corporate Status
Table 4-3b: Corporate Summaries for Profiled Marketers: Estimated
1996 Software Sales (dollars): Total, Home Market,
School Market

Competitive Profile: The Learning Company, Inc.
Company Overview
Red Ink in 1995
A Complex Corporate Background
TLC Products¾Variety and Quality
Dual Route Product Development
Educational Software Line
Reference Software That Stays Up-to-Date
Value Software Covers Broadening Consumer Market
TLC and the School Market
Over 50 National Retailers and Distributors
New Channel Marketing Organization
TLC and Direct Sales
TLC and Original Equipment Manufacturers

Competitive Profile: Broderbund Software, Inc.
Company Overview
Creative Development, Astute Marketing
Productivity and Home-Creativity Products
The Carmen Sandiego Sensation
Other Educational Titles
Educational Sales and Support
Entertainment Products Remain Vital to Mix
The Myst Phenomenon
Retail, Direct, and Online Marketing
Acquisition of Parsons Technology
Integration of Operations

Competitive Profile: Davidson & Associates, Inc. (CUC Software)
Company Overview
Strategies for Success
The Atlas Development System
The Learningways Content Development System
The Usability Lab
Educational Software for Consumers¾Past and Future
Davidson and the School Market
Repackaging School Products from Home Versions
Pushing the Internet Into the Classroom
Expanding Into Entertainment Software
New Line of Software for Girls
Strategic Partnerships
Broad-Based Distribution Is Essential
Distribution Breakthrough with NewMedia Express
Educational Distribution Strong and Getting Stronger

Competitive Profile: Sierra On-line, Inc. (CUC Software)
Company Overview
Roots and Acquisitions
The Current Company
Education and Family Products
The ImagiNation Network
Sierra's Marketing Services
Computer Superstores Account for 95% of Sales
Lining Up Against Giants

Competitive Profile: Micrografx, Inc.
Company Overview
Three Product Categories
Global Marketing Strategy
Promotion and Advertising

Competitive Profile: Edmark Corp. (IBM Corp.)
Company Overview
Company History¾Focusing on Education Since 1970
Making a Mark on Education
Still Concerned with Special Education
Astro Algebra and Virtual Manipulatives
A Math Partnership
Dear Parents Website

Competitive Profile: Maxis, Inc.
Company Overview
From Pizza to Pinball
The Sim Series
Maxis Kids
Affiliate Titles
Product Development and Technology
Over 20,000 Outlets
Electronic Arts Should Boost Distribution

Competitive Profile: 7th Level, Inc.
Company Overview
Three Pioneers
Company Releases
Top Gun and Annie Technology
A Three-Part Strategy
Fun and Games
Fun and Learning
Strategic Alliances
Covering All Sales and Marketing Bases
Seeding the Market

Competitive Profile: Theatrix Interactive, Inc.
Company Overview
Berkeley Beginnings
Development Methodology as Theatrix's Secret to Success
The Product Line
Theatrix's Acquisition by Sanctuary Woods
Competitive Profile: Cloud 9 Interactive, Inc.
Company Overview
Starting with Experience
A "Studio Model" Company
Putting Kids on Cloud 9
Wanna-Be & Can-Be
Comic Book Creativity

Cloud 9 Goes on Interactive TV
Distribution

Competitive Profile: School Zone Publishing Co.
Company Overview
A Teachers' Store
Substance, Style, Design
The School Zone Curriculum
Interactive Products
Distribution Channels

Competitive Profile: Sunburst Communications, Inc.
Company Overview
Computer-Based and Video Programs
Sunburst Titles
Direct Mail Is Major Distribution Channel

Marketing and New Product Trends
Sub-$1,000 PCs and Sub-$10 Titles
Online and Internet Growth
Pace of New Title Introductions Slows
Software for the Preschool Crowd

Table 4-4: Children's Educational Software New Product Introductions: Percentage of Titles by Appropriate Grade Level, 1997

Consumer Advertising and Promotion
Leading Educational Software Advertisers
Promotion Over Advertising
Contrast to Computer and Videogames
Ads Geared to Purchasing Decision-Makers
Small Companies Place Ads
Consumer Promotions
Discounted Prices Reflect Intense Competition
Coupons and Rebates
Bundling Involves Hardware and Software
Samples of Consumer Advertising

Trade Promotion
Discounts to the Trade and Trade Promotions
Product Promotions Through Trade Shows

V. Distribution And Retail

The Home Market
Basic Distribution System
Role of Distributors
Share of Movement Through Distributors
Retailer Range and Distributor Role
Affiliations Aid Smaller Firms
The Broderbund Example
Direct Marketing to Retailers
Diversified Range of Retailers
Number of Outlets Contracting
Computer Superstores Gain Software Share
Toys 'R' Us Triples Software Sales
Retail Price Points and Margins
Table 5-1: Retail Prices for Selected Children's Educational Software Products, 1997

The School Market
Regional Norm for Distribution
Lower Margins in School Market
Some National Distributors
Use of Multiple Distributors
Major Marketers Maintain Their Own Sales Force
The School Discount

Distribution and Retail Focus: Catalog and Online Marketing
Catalog Sales Are Key
Publishers Go Online
Online Sales Threaten Specialty Stores

VI. The Consumer

The Home Computer User
Multiple Uses Recommend PCs
Basic System Requirements for Start-Up
Home Computing Seen as Important Across Income Levels
Note on Simmons Market Research Bureau Data
Ownership of Components and Peripherals
Ownership of a Hard Disk Drive
Ownership of a Monitor or Mouse
Table 6-1: Demographic Characteristics Favoring Ownership of Selected Computer Components, 1996
Ownership of CD-ROM Drive
Ownership of a Modem/Phone Attachment
Ownership of Add-On Boards/Expansion Products
