Summary: HDI-Gerling Verzekeringen N.V. Jun 14

Description: Abstract
Dutch industrial non-life insurer facing intermediate industry and country risk. Leading market position in the Dutch industrial and commercial market. The company is currently in a planned orderly run-off, because all existing business will be transferred to a branch of parent company HDI-Gerling Industrie Versicherung AG (HDI-Gerling Industrie). We expect Talanx Primary Group (TPG), the ultimate parent, to remain fully committed to this business during and after the run-off of HDI-Gerling Verzekeringen N.V. (HDI-Gerling) and the transfer to the new branch. Concentration on the small and potentially volatile Dutch and industrial and commercial markets, which experience cyclical competitive pressure from global multiline insurers. Moderately strong capital and earnings based on capital adequacy expected to materially exceed our benchmark for the...

Standard and Poors RatingsXpress Credit Research provides in-depth coverage of international corporates, financial institutions, insurance companies, utilities, sovereigns and structured finance programs. RatingsXpress Credit Research lets users determine the credit rating of holdings and identify key factors underlying an issuer’s creditworthiness, distinguishes the different risk exposures for new and existing deals, and provides an understanding of how their analysts interpret key regulatory, political and environmental events and their economic impact.

This product consists of a Summary Analysis: Bi-annual (at least). An abbreviated analysis containing Standard & Poor’s issuer credit ratings as of the time the article was published. The analysis includes a rating rationale - the basis on which the rating was assigned - and an outlook section if the issuer is not on CreditWatch. Financial statistics are not included.
