Side Effects of Drugs Annual, Vol 36

Description: The Side Effects of Drugs Annual was first published in 1977. It has been continually published since then as a yearly update to the voluminous encyclopedia Meyler's Side Effects of Drugs. Each new Annual continues to provide clinicians and medical investigators with a reliable and critical yearly survey of new data and trends in the area of adverse drug reactions and interactions. An international team of specialists has contributed to the informative Annual by critically interpreting it and by pointing to whatever is misleading.

- Provides a critical yearly survey of new data and trends on the side effects of drugs
- Authored and reviewed by pioneers throughout the world in the clinical and practice sciences
- An essential clinical on side effects of drugs for practitioners and healthcare professionals
