
Description: The global luggage and leather goods industry is expected to grow at a CAGR of 4.5% during 2014-2019. The major drivers of the luggage and leather goods industry are per capita income, increasing consumer affluence, growth in the travel industry, and product innovation. Changing fashion trends and the awareness of luxury products, upgraded designs, and the global economic growth will possibly also boost the luggage and leather goods industry.

This report provides an analysis of the luggage and leather goods industry, including the analysis of market trends, competitive landscape, cost structure, emerging trends, and the key drivers of industry growth. The study also includes the forecast of the global luggage and leather goods industry through 2019, segmented by region and market as follows:

Global luggage and leather goods industry by region:
- North America
- Europe
- Asia Pacific
- Rest of World

Global luggage and leather goods industry segmented by market:
- Luggage
- Leather Accessories

On the basis of its comprehensive research, the author forecasts that the luggage and leather goods industry is expected to depict a moderate growth during 2014-2019. The leather accessories market will possibly remain the largest segment in terms of both value and growth rate during the forecast period. Regular innovation in luggage and leather goods with new technologies and design is the major driving force of the industry. LVMH Moet Hennessy Louis Vuitton SA, Coach, Inc., Kering SA, Prada S.p.A, and Hermes International SCA are some of the major manufacturers of the luggage and leather goods industry.

This unique report will provide you with valuable information, insights, and tools needed to identify new growth opportunities and operate your business successfully in this market. This report will save hundreds of hours of your own personal research time and will significantly benefit you in expanding your business in this market. In today's stringent economy, you need every advantage that you can find.

Features and Scope of this Report:
To make business, investment, and strategic decisions, you need timely, useful information. This market report fulfills this core need and is an indispensable reference guide for multinational materials suppliers, product manufacturers, investors, executives, distributors, and many more that operate in this market.

Some of the features of “Global Luggage and Leather Goods Industry 2014-2019: Trends, Profits and Forecast Analysis” include:

- Analysis of competitive intensity of the market based on Porter's Five Forces model which helps to understand the competitive position of industry players.
- Market size in terms of value ($B) by segment, market size trend (2008-2013) and forecast (2014-2019) for key regional segments to make major investment decisions.
- Regional Analysis provides luggage and leather goods industry breakdown by region among North America, Europe, APAC and ROW.
- Competitor analysis: growth leadership analysis, market drivers and challenges, growth opportunity analysis by segment market and by regional market that helps to ascertain a sound investment decision.
- Market strategic assessment, emerging trend, innovations and new product launches, mergers and acquisitions by the market players are studied in the report.

The report is in power point presentation format and has hundreds of critical data and market insights that will help in effective decision making.
Benefits of Report:
The core competency is in market research and management consulting. In last 15 years, the author has worked on hundreds of market & economic research studies. These market reports offer the following benefits:

- Enhance your growth strategy with the information of key market segments and growth applications.
- Fine tune your business expansion with analysis of trend and forecast and key emerging trends in the industry.
- Explore business opportunities and ascertain new market entry with analysis of emerging geographies.
- Know the business environment with the competitive intensity of the industry, new developments and merger and acquisition deals.

Who Can Benefit From This Report?
This study is intended for senior level executives, sales, marketing and business development professionals at various nodes of value chain of this market. This multi-client market study is used by small to multinational Fortune 500 companies and utilized for a variety of reasons as follows.

- Business development
- Strategic planning
- Business presentation
- Determination of market size and trend
- Competitive analysis
- Resource and inventory management
- Budgeting
- Investment decisions

Contents:
1. Executive Summary
2. Industry Definition and Scope
3. Industry Overview
4. Macroeconomic Trend
5. Industry Trends
6. Competitive Landscape
7. Macroeconomic Forecast
8. Industry Forecasts
9. Emerging Trends
10. Growth Opportunity
11. Conclusions
